ASSESSMENT

Hebrew Reading Assessment

> Written specifically for assessing students' accuracy and fluency in decoding, these black-line masters can help you understand your students' skills. Organized into six sections that highlight key skills such as letter and vowel recognition, blending letters and vowels and whole words, look-alike/sound-alike letters, sight reading, special rules, and Hebrew in context.

> Audio format also available.

Diagnostic Hebrew Reading Test

> A 45-minute diagnostic test designed to be used with post-primer levels and administered as a class. These black-line masters focus on vowels and short-word recognition.

Hineni Teacher's Editions/Self-Guided Hineni

> For all levels and all lessons, teacher's editions include a prayer content assessment page and answer keys.

> Students check their own progress in *Self-Guided Hineni* through assessment sheets for all the prayers.

HISTORY OF HEBREW

Hebrew Roots, Jewish Routes

For adults who want to learn more about Hebrew before taking on the language itself.
