Instructions for the VIA Character Survey

Instructions for students to take the Youth Survey at home:

1. An adult goes online, at home, to www.viacharacter.org and follows the link to the VIA Character Strengths Youth Survey, then registers their child to take the survey. The survey, free of charge, should take no more than 15 minutes.
2. The results of the survey – which lists the child's hierarchy of the twenty-four character strengths – will immediately arrive in the adult's inbox.

Instructions for Administering the VIA Character Survey at School

1. To take the VIA survey in school, students must have their parents' permission.
2. In advance, send home a permission slip that allows students to take the survey under your supervision.
3. You can go to www.viacharacter.org to create your own VIA Pro Dashboard to register each of your students to take the Youth Survey.
4. Students take the survey; you will immediately receive their results.
5. Distribute to each learner their personal list of strengths.

Instructions for adults to take the VIA Character Strengths Survey

1. Remember, it's essential that you go online and take the VIA Character Strengths Survey at www.viacharacter.org yourself.
2. Again, results arrive instantly by email.
